Dear County Clerks,

The North Coast Regional Water Quality Control Board is hosting two California Environmental Quality Act (CEQA) Scoping Meetings for a proposed project to develop General Waste Discharge Requirements and General Clean Water Act Section 401 Water Quality Certification for Discharges Related to Sediment Reduction and Road Maintenance and Construction Activities in the Gualala River watershed in the North Coast Region (Gualala Roads Permit). The scoping meetings will include a presentation about the draft Gualala Roads Permit Initial Study and the opportunity for the public to provide oral comments.

**Public Notice:** The Notice of Preparation of a Draft Environmental Impact Report and CEQA Scoping Meeting Notice for the Gualala Roads Permit and associated documents have been accepted by the State Clearinghouse and posted to CEQA Net (SCH Number 2025070552): [Development of General Waste Discharge Requirements and Water Quality Certification for Sediment Reduction and Road Maintenance Activities in Gualala Watershed.](#)
