RE: Noble Waidelich – Abuse of Discretion Review

Mr. Lauter:

Thank you for speaking with me over the phone about this case earlier today and for agreeing, at my request, to review this case.

Enclosed for your review, please find the case file materials that we originally submitted to your office on September 28, 2022 when we asked for your office's assistance due to a conflict. After our request was denied, we sent the same case file materials to the San Mateo District Attorney's Office for their independent review. They recently notified us that they "do not believe there is sufficient evidence to satisfy our filing standards." See enclosed. Our office concurs with this determination.

Thank you for assistance in this matter.

Sincerely,
