

Tapestry Referral Timeliness: Business Days Only

FY 2025–2026 • 1,115 referrals • weekends and federal holidays excluded

Quick access; Prompt treatment.

Average business days from referral date to each milestone.

2.1 business days to first offered appointment
n=746

7.7 business days to assessment start
n=537

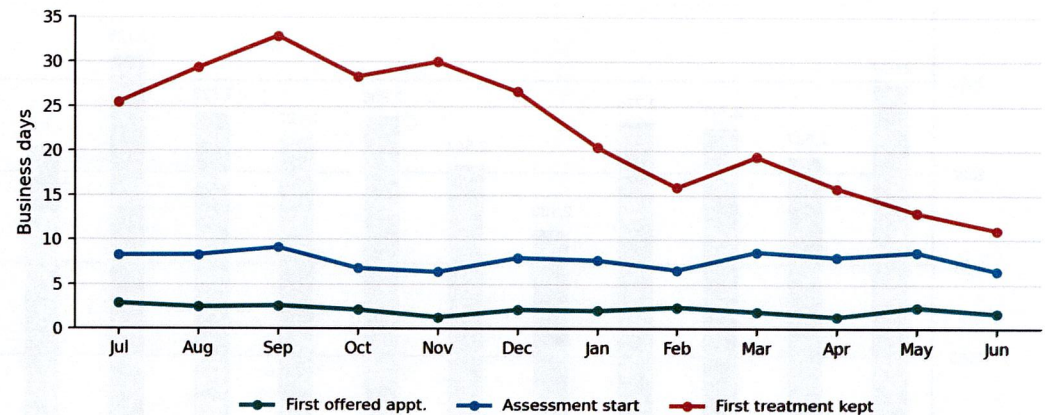

22.4 business days to first treatment kept
n=453

Timeliness Takeaways

- The first appointment offer is generally timely.
- The step from assessment into treatment is the longest access interval but has reduced by more than half.
- In June, clients had submitted a referral, been assessed, and began services within 11.8 days on average.

Monthly average business days by key milestone

Trend shows treatment-start access improved substantially by June.

Milestone	Valid count	Avg. days	Median
First offered appointment	746	2.1	2
Assessment start	537	7.7	7
First treatment kept	453	22.4	21

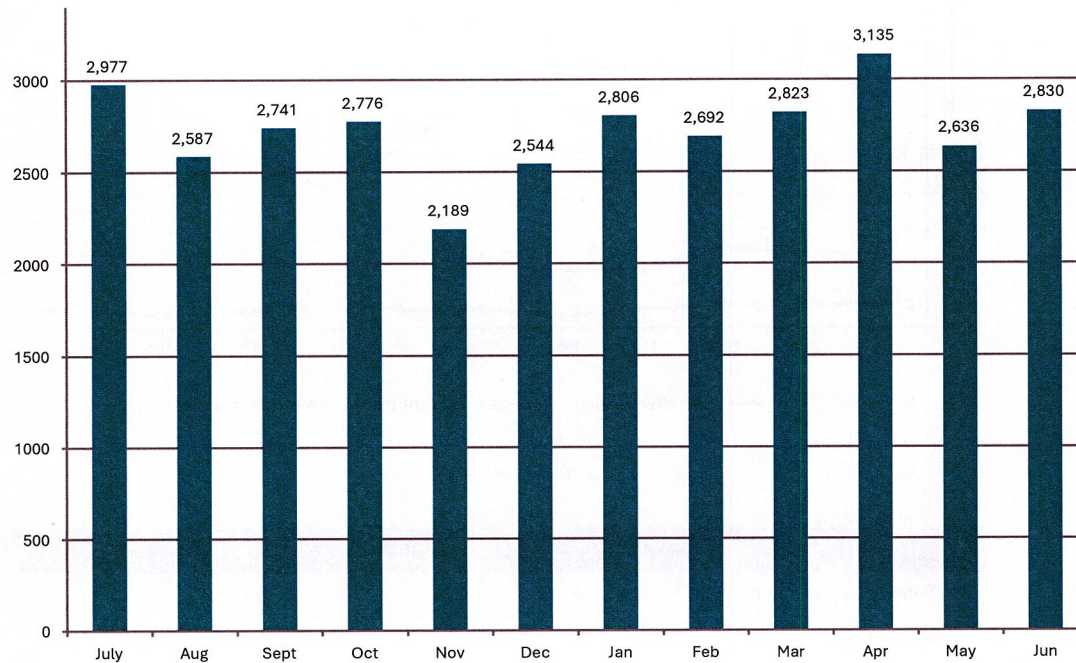

Tapestry FY 2025–2026 Services Provided

July 1, 2025 – June 30, 2026 | Total Services by Month

Takeaways

- 1 Service volume remained steady month over month, averaging 2,728 services per month.
- 2 If one service per day it would take up 89.6 years.
- 3 It's almost double the total number of FAA-reported U.S. airport facilities.
