The use of official time for this purpose shall be reasonable in amount and shall not interfere with the performance of County services.

B. Notice of Union Representatives

The Union shall provide annually to the Human Resources Director a list of the Union officers and authorized representatives and shall update as changes occur.

C. Work Access

The authorized representatives of the Union shall have access to employee work locations during working hours for the purpose of assisting Union members in areas that fall under the scope of representation. Section 4 – Union Security

A. Agency Shop

The parties to this Memorandum of Understanding mutually understand and agree all employees subject to this agreement have the right to join or not join the Union. However, as a condition of continuing employment, employees must either join the Union or pay to the Union a service fee in lieu thereof. Such service fee shall be established by the Union and shall not exceed the standard initiation fee, periodic dues and general assessment of the Union for the duration of this Memorandum of Understanding.

B. Union Dues/Service Fees

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this agreement shall be provided, through the Human Resources department, with an authorization notice advising the employee that the County

has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union, pay a service fee to the Union, or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a form for the employee's signature authorizing payroll deduction of Union dues or a service fee, or a charitable contribution equal to the service fee. Said employee shall have fifteen (15) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Executive Office, Payroll Division.

1. If the form is not completed properly and returned within fifteen (15) calendar days, the County Executive Office shall commence and continue a payroll deduction of service fees from the regular biweekly pay warrants of such employee. The effective date of union dues, service fee, or a charitable contribution shall begin no later than the first full pay period after receipt of the authorization form.

Declaration of or applications for religious exemption and any other supporting documentation shall be forwarded to the appropriate local Union within fifteen (15) days of receipt by the County. The Union shall have fifteen (15) days after receipt of a request for religious exemption to challenge an exemption granted by the Director of Human Resources or his/her designee. H. Programming Fee

The Union shall reimburse the County for actual, reasonable and necessary costs, if any occur, of programming in order to maintain this agreement. Such costs shall not exceed the Union's prorated share of such costs, to be determined by dividing the total number of each Union's represented employees subject to Agency Shop by the total number of County employees subject to Agency Shop and by multiplying this quotient times the total cost.

The amounts deducted shall be remitted promptly to the Teamsters, or its designees, with an alphabetical list of the employees from whom deducted. The Teamsters agree to indemnify, defend and hold harmless the County, its officers, agents, and employees from any claim, liability, or damage arising from this provision.

For FY 2028-29, effective the first full pay period after July 1, 2028, each employee covered by this Agreement shall receive a minimum COLA equal to 2.0% of their base salary. 3. Step "2" shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty-six (26) pay periods of employment at Step "1".
4. Step "3" shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty-six (26) pay periods of employment at Step "2".

If the amount equal to a one-step increase in the employee's pay range prior to promotion or reclassification does not appear in the new range, then the employee will receive the step in the new range next above what would normally be a one-step increase in the employee's former range. If an increase equal to one step should exceed the last step of the new range, the employee shall be promoted to the last step of the new range.

H. Promotions Within Series

After completion of no less than six (6) months of service and having met the minimum qualifications for the position, a Union member may be promoted to the next classification in the series at the discretion of the department head.

Effective the first full pay period following Board of Supervisors approval and ratification, every employee in a full-time regular or limited-term position shall receive vacation benefits for each pay period of continuous service according to the following schedule:

Years of Service	Accrual Per Pay Period	Annual Hours	Annual Days	Maximum Weeks	Maximum Hours	Maximum Days	Maximum Weeks
0 to 3	4.616	120	15	3	240	30	6
>3 to 8	6.157	160	20	4	320	40	8
>8 to 15	7.694	200	25	5	320	40	8
>15	9.231	240	30	6	400	50	10

2. Commencement of Vacation Accrual

Vacation accrual shall date from the first of the pay period following the pay period in which the employee commenced such continuous service. If such commencement date was the first working day of the pay period, vacation accrual shall start from that date.

3. Eligibility

Employees do not become eligible to take their earned vacation until they have completed thirteen (13) pay periods of continuous service. After completion of thirteen (13) pay periods of continuous service, employees then become eligible to take vacation as it is earned. Once an employee becomes eligible to take earned vacation, he/she may use this vacation as an extension of sick leave.

4. Scheduling

Each department head shall be responsible for scheduling the vacations of his/her employees in such a manner as to achieve the most efficient functioning of the department and of the County service. No person shall be permitted to work for compensation for the County in any capacity during the time of his/her paid vacation from County service.

5. Vacation Cash Out

Once each fiscal year, an employee may cash out up to sixty (60) hours of vacation provided that the employee is left with an accrued balance of at least forty (40) hours, subject to the requirements of this section. For clarification purposes, the fiscal year begins in the pay period with all July work dates and runs through the last pay period with all June work dates, normally pay period 15 through pay period 13 the following year.

a. Irrevocable Election

To cash out vacation leave in the subsequent calendar year, each employee must fill out an Irrevocable Election Form and submit it to Human Resources during the County open enrollment period. The County will provide employees with the Irrevocable Election Form in advance of the deadline for receipt of the form.

Employees who do not submit a completed Irrevocable Election Form by the required date will not be permitted to cash out leave in the subsequent calendar year.

On the Irrevocable Election Form, an employee must irrevocably elect the number of vacation hours he or she wishes to cash out in the subsequent calendar year. For example, if an employee wishes to cash out up to 40 hours of vacation leave in calendar year 2021, he or she must irrevocably do so in calendar year 2020.

Employees who irrevocably elect to cash out leave in the subsequent calendar year are not required to do so. However, employees may only cash out leave in an amount up to the amount set forth in the Irrevocable Election Form.

The County will provide employees with the Irrevocable Election Form in advance of the deadline for receipt of the form.

Employees who do not submit a completed Irrevocable Election Form by the required date will not be permitted to cash out leave in the subsequent calendar year.

On the Irrevocable Election Form, an employee must irrevocably elect the number of vacation hours he or she wishes to cash out in the subsequent calendar year. For example, if an employee wishes to cash out up to 40 hours of vacation leave in calendar year 2021, he or she must irrevocably do so in calendar year 2020.

In the event Paid Sick Leave provisions of this MOU become outdated by or are inconsistent with State or Federal law, in those instances where the new legislation provides for greater benefit or job protection than provided for in this MOU, sick leave will be carried out in accordance with applicable law.

C. Family, Medical and Sick Leave Use

Union members shall be allowed to use accumulated sick leave for the purpose of providing care due to illness or injury of an employee's family member. It is the policy of Mendocino County to provide family and medical leave in accordance with federal, state, and applicable statutes and County policies. Some leave provisions overlap, and employees should contact the Human Resources Department and refer to the County's Family and Medical Leave policies for specifics regarding eligibility and applicability. In general, the major family leave provisions are as follows:

1. State and Federal Leave Entitlements: Family and Medical Leave Act (FMLA), California Family Rights Act (CFRA), and California Pregnancy Disability Leave (PDL)

Pursuant to the FMLA and CFRA, eligible employees are allowed up to twelve (12) weeks of unpaid leave over a rolling twelve-month period for certain medical and nonmedical needs of for the employee or their family member, as defined below.

For employees who qualify for Military Caregiver Leave, the maximum leave is twenty-six (26) weeks of leave in a twelve-month period. (FMLA only)

When the reason(s) for employee leave are eligible under both FMLA and CFRA, the two leave entitlements will run concurrently.

Pregnancy Disability Leave. Pursuant to the FMLA and as expanded by the California's PDL, an employee who is disabled due to pregnancy, childbirth, or a related medical condition, as certified by her medical provider and defined below, is allowed up to four (4) months of unpaid leave. There is no eligibility requirement for PDL. PDL applies to each pregnancy.

Eligible employees may take leave in a single block of time, intermittently (in separate blocks of time) or by reducing the normal work schedule. [Optional: Intermittent leave to bond with a new child must be taken in two-week increments, with a shorter duration allowed on two occasions.]

Employees who require intermittent or reduced-schedule leave must try to schedule their leave so that it will not unduly disrupt County operations.

All medical leaves are administered by the County's Human Resources Department, in accordance with The Family and Medical Leave Act (FMLA), the California Family Rights Act (CFRA), and the California Pregnancy Disability Leave (PDL). Employees may use earned sick leave or other earned paid leave accruals as described in this section. All medical leaves require certification by the employee's medical provider or by the family member's medical provider of whom the employee will be providing care.

Because the FMLA and CFRA have differing definitions of “family member,” the definitions provided below, combine the FMLA and CFRA definitions of family members.

a. “Family Member” Defined

For the purpose of this section “family member” is defined as an employee’s child, spouse, domestic partner, parent, grandchild, or grandparent, sibling, or designated person as defined below:

- i. “child” of any age (defined as biological, adopted, or foster child, stepchild, legal ward, child of an employee or the employee’s domestic partner, or a person to whom the employee stands in loco parentis, regardless of age or dependency status);
- ii. “parent” (defined as a biological, foster, or adoptive parent, stepparent, parent-in-law, a legal guardian, or other person who stood in loco parentis to the employee or the employee’s spouse or domestic partner when the employee was a child. A biological or legal relationship is not necessary for a person to have stood in place of a parent to the employee as a child.)
- iii. employee’s spouse or domestic partner;
- iv. grandchild means the child of an employee's child;
- v. grandparent means a parent of the employee's parent;
- vi. sibling means a person related to the employee by blood, adoption, or by having a common legal or biological parent;
- vii. designated person (defined as any individual related by blood or whose association with the employee is the equivalent of a family relationship). The designated person may be identified by the employee at the time the employee requests the leave. Employees are limited to one designated person per 12-month period.
- viii. Qualifying Exigency Leave. An eligible employee may use up to 12 weeks of FMLA leave for “qualifying exigencies,” when their spouse, child, or parent is on covered active duty or under an impending call to covered duty.

Covered active duty means:

- For a member of the Regular Armed Forces, duty during deployment with the Armed Forces to a foreign country, or;
- For a member of the National Guard or Reserves, duty during deployment with the Armed Forces to a foreign country under a call or order to active duty in support of a contingency operation.

Deployment to a foreign country means deployment to areas outside of the United States, the District of Columbia, or any territory or possession of the United States. It also includes deployment to international waters.

Qualifying exigencies include, but are not limited to:

- Making childcare arrangements for the military member's child,
- Attending certain military ceremonies and briefings, or
- Making financial or legal arrangements to address a military member's absence.

- ix. **Military Caregiver Leave. (FMLA only)** An eligible employee who is the spouse, child, parent, or next of kin of a covered servicemember may use up to 26 weeks of leave during a single 12-month period to care for a covered servicemember with a serious injury or illness, sustained while on active duty. in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces, and that may cause the servicemember to be medically unfit to perform their military duties.

Military caregiver leave applies on a per-injury basis for each service member. Consequently, an eligible employee may take separate periods of caregiver leave for each covered service member and/or for each serious injury or illness of the same covered service member. A total of no more than twenty-six (26) workweeks of military caregiver leave, however, may be taken within any single 12-month period.

2. **"Kin" Care**

Each calendar year, an employee may use up to one-half ($\frac{1}{2}$) of the sick leave the employee would accrue during that year to attend to an illness of a family member or of the employee – for example, a full-time regular employee accruing one hundred twenty (120) hours of sick leave per year could use up to sixty hours per calendar year to care for a family member.

For the purpose of this section, "family member" shall mean spouse, registered domestic partner, child, parent, grandparent, grandchild, sibling, and designated person. The definition includes biological, foster, adoptive, step-relationships, and in-laws.

Verification

The same procedures and verification standards used for "regular" sick leave shall be used for family sick leave.

D. Salary Continuance During Extended Disability Leave

Union members who are absent from work due to illness or injury and have exhausted all of their sick leave and vacation benefits shall be eligible to receive one hundred percent (100%) salary for the first two (2) months after the paid leave has been exhausted; if still unable to work, the employee shall then receive seventy five percent (75%) if full salary for a two (2) month period and then if still disabled, shall receive fifty percent (50%) of salary for another two (2) month period. The employee shall be required to present to the County Human Resources Director a certificate from a County-designated physician indicating an opinion that the employee can reasonably be expected to recover sufficiently to return to work. The physician's certificate may be obtained through a medical examination at County

expense or through consultation between a County-designated physician and the employee's personal physician.

E. Catastrophic Leave

Employees are eligible to take catastrophic leave in accordance with the County-wide Catastrophic Leave Policy and Leave Bank provisions found in Attachment 1 and incorporated herein.

F. Bereavement Leave

Employees who experience a death in their immediate family may be allowed to be absent for up to five (5) non-consecutive days, with pay for up to a maximum of forty (40) non-consecutive work hours to be used within a three(3) month period for each family member who dies. Part-time employees who receive benefits may be eligible for bereavement leave. The number of hours available shall be based on the percentage of the allocated position to full-time (i.e., .5 allocation times 24 = 12.0 hours available leave). Such time shall be considered additional paid leave.

1. Additional Days

Employees may use an additional sixteen (16.0) hours of accrued leave. Accrued leave for this purpose may be personal leave, vacation time, or sick leave. Should the employee not have any such accrued leave, this absence may be considered leave without pay.

2. Immediate Family Defined

For the purpose of this Section, "Immediate Family" is defined as the employee's spouse, domestic partner, child, stepchild, grandchild, parent/step-parent, brother, sister, grandparent or spouse's, child, stepchild, grandchild, parent/step-parent, brother, sister or grandparent.

Section 15 – Grievance Procedure

A. Purpose

The County and the Union agree to this Grievance Procedure in order to provide an orderly procedure to promptly resolve grievances of employees covered by this Memorandum.

B. Definitions

1. **Grievance Defined**
A grievance is a claim by an employee(s) (1) concerning or alleging that a written County-wide rule, regulation, resolution, ordinance, policy, procedure, OR (2) provision of this Memorandum, has been violated or misapplied to the disadvantage of the employee or the Union. Excluded from this definition are:
 - Any allegation or claim filed for the purpose and intent of changing a written County-wide rule, regulation, resolution, ordinance, policy, procedure, or provision of this Memorandum; or,
 - Any allegation or claim for which appeal is already provided for in the Civil Service Rules or the Mendocino County Code.
2. **Working Day Defined** For the purpose of this Article, a "working day" is defined as a day in which Mendocino County administrative offices are open for County business operations.

C. Standing to Initiate Grievance

The Union and/or an individual employee who, in good faith, has an actual grievance with the County over a grievable matter as defined in Section 15(B) may file a grievance. At any step of the grievance procedure, the employee may represent him or herself, or may be represented by an Union representative, who may be a County employee (excluding their supervisor or manager).

D. Grievance Procedure-Initiation

The grievance must be initiated within ten (10) working days from the date of the action or occurrence-giving rise to the grievance, or within ten (10) working days of when the grievant knew of, or could have reasonably discovered, such action or occurrence.

E. Time Limits

Time limits specified in each step of the procedure shall be strictly observed and may only be extended by mutual agreement of the parties in writing. Failure of a grievant to observe a time limit shall terminate the grievance. Failure of the party to whom the grievance is submitted to observe the time limits shall give the grievant the right to move the grievance to the next level.

F. Grievance Steps

1. First Step

The grievance shall first be discussed on an informal basis by the grievant with the grievant's immediate supervisor within ten (10) working days from the date of the action causing the grievance, as provided in Section 15(D) above. The immediate supervisor shall respond within ten (10) working days. Every effort shall be made by the parties to resolve the grievance at this level and may include conferences among supervisory or administrative personnel. Such discussions will be held, whenever possible, during the grievant's work hours.

2. Second Step

In the event the employee believes the grievance was not satisfactorily resolved at Step 1, the employee shall submit the grievance in writing, with a copy to County Human Resources Director and the Union, to the next level supervisor within ten (10) working days after receipt of the immediate supervisor's response. Such written grievance shall:

- a. Fully describe the grievance and how the employee was adversely affected by the County;
- b. Set forth the written County-wide rule, regulation, resolution, ordinance, policy, procedure, or provision of this Memorandum, that has been allegedly violated;
- c. Indicate the date(s) of the incident(s) grieved; and
- d. Specify the remedy or solution to the grievance sought by the employee.

3. Response to Second Step

The written grievance shall be responded to in writing by the responsible supervisor within ten (10) working days from the time the written grievance is received, and a copy sent to County Human Resources Director and the Union. The written response shall include:

- a. A complete statement of the supervisor's position and the facts upon which it is based; and
- b. The remedy or correction, which has been offered, if any.
- c. If the grievant is not satisfied with the response at Step Two, the grievant may appeal the decision to the Department Head, with a copy to County Human Resources Director and the Union within ten (10) working days of receipt of the written response at Step Two.

4. Third Step

Within ten (10) working days after receiving the completed grievance form, the Department Head, or his/her designee, shall meet with the employee and shall discuss the grievance. The Department Head shall give his/her decision within ten (10) working days after the discussion and send a copy of the decision to the Human Resources Director and the Union.

If the grievant is not satisfied with the response at Step Three, the grievant may appeal the decision of the Department Head to Step 4, Mediation. Such appeal must be made within ten (10) working days of receipt of the written decision of the Department Head.

5. Fourth Step (Optional Mediation)

If the grievant is not satisfied with the response at Step Three, the parties may request the assistance of a mediator from the State Conciliation & Mediation Service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance. If the grievance is not resolved, discussions during mediation shall not be admissible in any subsequent hearing. If the parties do not agree to mediate, the appeal shall proceed to Step Five, Binding Arbitration.

6. Fifth Step (Binding Arbitration)

Where the parties had agreed to mediate, if both parties do not settle the grievance at the Fourth Step following a good faith effort in mediation, or where the parties did not agree to mediate, the Union may request binding arbitration. The request for binding arbitration must be submitted to the Human Resources Director, in writing, within ten (10) working days of receipt of the response from Step Four. A party's notice that they do not agree to mediation shall trigger the ten (10) day period for the Union to request binding arbitration.

a. Individual Obligation for Non-Union Approved Arbitration

If the grievance has not been sanctioned by the Union, the grievant will incur all expenses of arbitration and the Union and the County shall be held harmless.

b. Selection of an Arbitrator

An arbitrator may be selected by mutual agreement of the County and the Union. Should the parties fail to agree on an arbitrator, they shall make a joint request to the State Conciliation & Mediation Service for a list of five (5) qualified arbitrators. The arbitrator shall be selected from the list by the parties alternately striking names, with the opportunity to strike determined by chance.

c. Arbitration Process

All documentation supporting the parties' positions shall be filed at least ten (10) days before the hearing with the arbitrator.

d. Arbitration Decision

The arbitrator shall not have power to alter, amend, change, add to, or subtract from any of the terms of this Memorandum of Understanding. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to the arbitrator by the respective parties. The decision of the arbitrator shall be final and binding upon the parties.

e. Arbitration Costs

The cost of employing the arbitrator shall be borne equally by the parties.

f. All other costs such as, but not limited to, attorney's fees, witness fees, Court Reporter/Transcript Fees, and transcript copies shall be borne only by the party incurring that cost.

g. Arbitration Award Limit

The arbitrator's award shall be binding upon the Union. To the extent that the award of the arbitrator is in excess of five thousand dollars (\$5,000) per individual grievant, it is advisory only to the amount of the award over five thousand dollars (\$5,000). All other terms shall be binding on the County. If within sixty (60) days of receiving notice of decision and award requiring an expenditure in excess of five thousand dollars (\$5,000) per individual grievant, final action is not taken by the County to implement it, then the arbitrator's decision and award shall have no force or effect whatsoever as to the amount in excess of five thousand dollars (\$5,000) per individual grievant. The Union may then resort to a court of competent jurisdiction to pursue other available legal remedies.

7. Non-Retaliation

Employees who file a grievance or who participate in a grievance procedure shall be free from harassment or retaliation as a result of filing or participating in a grievance.

8. Maintenance of Performance Standards by Grievant

Employees who file a grievance are in no manner excused or exempt from performance standards of the job. Job performance standards will be maintained throughout and following any action undertaken as a result of this grievance procedure.

Should an employee refuse to sign or initial the document, that

fact shall be noted on the document and signed or initialed by the supervisor. In the event an employee is not available due to resignation, termination, or leave of absence longer than thirty (30) days to read and sign or initial the document, a copy of the document with a notation stating, "cc Personnel file" will be mailed to the employee's last known address. For purposes of this Section, "Adverse" shall refer to comments critical of any aspect of the employee's performance of job duties.

F. Copies of Personnel Files

All personnel records are, and remain, the property of the County. At the employee's request, the employee shall be provided one copy of any document placed in the employee's file, except for employment applications. A policy providing a means for a county employee to donate hours of leave to a fellow employee who is facing a catastrophic illness or injury and who has exhausted his/her own leaves.

1. Catastrophic Leave and Establishment of a Catastrophic Leave Bank

- a. Catastrophic Leave is a paid leave of absence due to verifiable, long-term catastrophic illness or injury such as, but not limited to cancer and heart attack which clearly disables the employee, the employee's spouse, parent, or child.
- b. The County shall establish a Catastrophic Leave Bank with hours donated by County employees.

2. Eligibility for Catastrophic Leave

All permanent employees of the County of Mendocino shall be eligible to receive Catastrophic Leave under the terms and conditions of this policy that have:

- a. successfully completed twenty-six (26) pay periods in paid status; and
- b. donated a minimum of one (1) hour to the general Catastrophic Leave Bank in the preceding twelve (12) months, but not less than one (1) month before the qualifying event and
- c. exhausted all accrued sick leave, vacation leave, and compensatory time before qualifying for catastrophic leave.

3. Donation of Hours

- a. Catastrophic Leave is paid leave available to eligible County employees from hours donated by other County employees.
 - (1) Vacation, designated holiday leave bank hours, compensatory leave, or other leave banks, which would normally be "cashed out" to the employee upon separation, may be donated.
 - (2) Sick Leave and Personal Leave are specifically excluded.
 - (3) Donated time shall be credited on an hour for hour basis, regardless of wage of either donator or recipient.
- b. Employees donating vacation or compensatory leave must donate in increments of whole hours.
 - (1) The donating employee must have a vacation leave balance of at least forty hours remaining after such donation.
 - (2) Employees may donate all of their accrued compensatory time or holiday leave bank hours.
- c. Donations by employees may be designated for the general Catastrophic Leave Bank or for an individual employee. If donated to the account of an individual employee, there is no requirement for that individual employee to have first donated one (1) hour to the general Catastrophic Leave Bank, but the individual would only be eligible for the hours donated directly to them. See section 2b for eligibility for general Catastrophic Leave Bank.
- d. There is no cap on the number of hours that may be directly donated to an individual employee. All donations to individual employees that are not used by the employee will automatically transfer to the general Catastrophic Leave Bank fund.

4. Approval Process for Use of Catastrophic Leave Bank

- a. A request for use of the Catastrophic Leave Bank must be approved by the Human Resources Director.
 - (1) The request must be submitted in writing using the form developed by Human Resources and must be accompanied by a medical certification that includes:
 - A brief description and appropriate verification of the illness or injury;
 - Name and relationship of the person with illness or injury, if applicable;
 - An estimate of the total time needed, including start and end date.
- b. Catastrophic leave may initially be approved up to a maximum of two hundred and forty (240) donated hours.
 - (1) If the catastrophic illness or injury continues, additional leave up to two hundred and forty (240) donated hours may be approved.
- c. The Human Resources Director shall account for the donation and disbursement of catastrophic leave hours.
- d. Individual use of catastrophic leave from the general Catastrophic Leave Bank is limited to a maximum of four hundred and eighty (480) hours during any twelve (12) month period.
- e. Individual use of the catastrophic leave may exceed four hundred and eighty (480) hours in the event hours are directly donated to the employee. An employee eligible for catastrophic leave may use additional hours that are directly donated to them, with no cap on the number of hours directly donated to the employee, subject to section 6.
- f. The decision of the Human Resources Director to deny the use of Catastrophic Leave may be appealed to the Civil Service Commission within ten (10) days of the decision.
 - (1) The decision by the Civil Service Commission shall be final.

County of Mendocino Return to Work Program

Pursuant to the following attachment, any changes during the term of the MOU shall be subject to Meet & Confer between the parties.

It is the policy of Mendocino County to provide a return-to-work program as the means to return employees to meaningful, productive employment following injury or illness. In order to provide the highest level of quality service to the citizens of Mendocino County, it is necessary for every employee of Mendocino County to be available for work, ready, and capable of performing the duties and responsibilities for which the employee was hired.

The return-to-work program provides opportunities for any employee of Mendocino County who sustains a compensable injury during the course and scope of employment to return to work at full duty. If the employee is not physically capable of returning to full duty, the return-to-work program provides opportunities when available for the employee to perform a temporary modified or alternate duty assignment in which the employee's regular position is modified to accommodate the employee's physical capacities, or to perform an alternate duty position.

Specific procedures shall be provided to guide all employees regarding the return-to-work program. All employees, departments, divisions, and facilities of Mendocino County are expected to support and fully comply with this program and the procedures provided to implement this program.

Definitions - The following definitions apply to this procedure:

- *Full Duty* - Performance of all duties and tasks of the position for which the employee is employed. Full duty entails performing all essential and non-essential functions of the employee's regular job.
- *Temporary Assignment* - Performance of a temporary job assignment that is intended to return an injured employee to work at less than his or her full duties when a compensable injury prevents the employee from working full duty. Two types of temporary assignments are modified duty and alternate duty.
- *Temporary Modified Duty* - Performance of all of the essential functions, but only a portion of the non-essential functions and tasks of the regular job duties for which the employee is employed. Modified duty allows the employee to return to current employment in his or her regular job, and perform those duties and tasks that are within the capabilities of the employee, given the restrictions to duty imposed by the treating physician. Modified duty is a temporary arrangement to last a maximum of ninety (90) calendar days or until the injured employee can resume full duty, whichever comes first.
- *Temporary Alternate Duty* - Performance of the essential functions of a job or position other than the position for which the employee is employed. Alternate duty allows the employee to temporarily perform other duties and tasks that are within the restrictions to duty imposed by the treating physician. Such alternate duty may be physically located in the same facility or in some other facility. Alternate duty is a temporary arrangement to last a maximum of ninety (90) calendar days or until the injured employee can resume full activities of his/her regular job, whichever comes first.
- *Permanent Accommodation* – See Qualified Injured Worker Placement Procedure.
- *Classification Descriptions of All Positions* - All department heads and/or designee(s) are responsible for identifying, documenting, and maintaining the essential and non-essential functions in a classification description for all positions for which they are

responsible. The physical requirements of the position should be included in all classification descriptions as either an essential or a non-essential function.

- **Designated Return-to-Work Coordinator** - A return-to-work coordinator shall be appointed in the Risk Management Division of the Executive Office. The return-to-work coordinator shall be responsible for coordinating all activities associated with the return-to-work program, unless specific duties are otherwise assigned to another person or position.
- **Substitution of Paid Leave for Unpaid Leave** - If a compensable work-related injury or illness is involved, the employee is not required to use all accrued annual or sick leave. The employee may elect to use, but may not be required to use, accrued sick leave before receiving workers' compensation temporary income benefits.
- **Periodic Status Reports** - If an employee is certified by a health care provider to be off work, the employee is required to submit periodic status reports to his/her supervisor to report the employee's status and intention to return to work. Such status reports are required at the time of each scheduled visit with the treating physician and are due immediately following the visit. The status report should be provided to the supervisor within 24 hours of the scheduled visit, or if a weekend or holiday is involved, before close of business on the next scheduled workday. The supervisor then sends copies over to the Risk Management Division of the Executive Office.

TRAINING

Training will be implemented in the following manner:

Department Heads - Managers - Supervisors - Payroll Clerks: This group will receive training on why the program was developed and how the program will be implemented

Employees: The primary focus will be on the benefits to the injured or ill employees being able to return to work in a temporary modified or alternate duty capacity. Emphasis will also be given that if the condition becomes permanent there is the possibility of being able to accommodate the employee in a permanent modified or alternate position, as long as the employee is able to perform the essential functions of the job with reasonable accommodations.

Training for employees will be conducted on multiple levels, beginning with payroll staffers announcing the program and training schedules followed up with quarterly newsletters, etc. A binder will be prepared for each department, said binder will include an overview of the workers' compensation system, the Return to Work Program, all necessary claim forms, and frequently asked questions. New Employee Orientation will include an overview of the Return to Work Program.

Medical Community: Training for the medical community will include a written protocol of the County's return to work philosophy along with sample medical reports outlining the type of reports required by the County. These reports will list treatment plans, anticipated permanent and stationary dates, specific modified return to work abilities, e.g.: can type for 30 minutes at a time and then take a 10 minute task break and then continue, etc. The medical community will be offered an opportunity to meet with the return to work coordinator to discuss the program at any time.

Employee Participation in the Return to Work Program – In order for an employee of Mendocino County to be eligible to participate in this return-to-work program, the employee must have:

1. Sustained a compensable injury as defined in the California Workers' Compensation Act that results in lost time away from work.

An employee who meets the above criteria is mandated to participate in the program.

All aspects of this program will apply to all employees who are in the program, whether they have an industrial or non-industrial injury.

Upon notification, the supervisor shall complete an "Accident Report" form and give the employee, within 24 hours, an "Employee Claim for Workers' Compensation Benefits" form. The Return to Work Program involves temporary work assignments that will be identified and arranged by the department head(s) or designee(s). Modified or Alternate duty will be discontinued upon the employee being released by their treating physician to return to regular full duty, or upon completion of a maximum 90-calendar days from the time the employee returns to work in the modified or alternate duty assignment, whichever occurs first. The department head or designee shall review all cases where the employee has not been released to full duty within the 90-calendar day period and determine if an extension of the modified or alternate duty assignment is possible. If it is, determined that the employee is unable to be released to full duty within the subsequent 90-calendar days, the department head or designee reserves the right to extend modified or alternate duty as appropriate.

PROGRAM INCENTIVES

6. Based on the treating physician's written opinion, employees may be offered modified or alternate return to work positions, as identified through this program, to any work, which accommodates their restrictions. Failure to accept modified or alternate duty assignments may result in the loss of temporary workers' compensation benefits. As an alternative in such circumstances, the employee may request the use of sick leave, vacation or an unpaid leave of absence, and Family Medical Leave subject to the department head's approval.

PROGRAM MONITORING

The Return to Work Coordinator will be responsible for monitoring both the individual case and the overall program result. Program results will be brought to the Safety Council on a quarterly basis and annually to the Board of Supervisors.

MENDOCINO COUNTY

QUALIFIED INJURED WORKER PLACEMENT PROCEDURE

THE BOARD OF SUPERVISORS HAS CONFIRMED THAT THE EMPLOYEES OF MENDOCINO COUNTY ARE ITS MOST VALUABLE ASSETS. THE BOARD'S GOAL IS TO RETURN EMPLOYEES, WHO ARE OFF WORK BECAUSE OF INJURY OR ILLNESS, TO PRODUCTIVE AND REWARDING JOBS AT THE EARLIEST APPROPRIATE TIME. THE BOARD ALSO REALIZES THAT ACCESS TO PROPER MEDICAL CARE IS AN ESSENTIAL COMPONENT TO THIS PROCESS. MEDICAL CARE IS PROVIDED TO ALL EMPLOYEES INJURED ON THE JOB THROUGH THE WORKERS' COMPENSATION SYSTEM.

ALL EFFORTS WILL BE MADE TO ACCOMMODATE AN EMPLOYEE WITH PERMANENT WORK PRECLUSION'S IN THEIR CURRENT JOB ASSIGNMENT. IF PERMANENT ACCOMMODATION IS NOT POSSIBLE IN THE CURRENT ASSIGNMENT, MENDOCINO COUNTY WILL MAKE EVERY EFFORT TO ASSIST THE EMPLOYEE IN

TRANSFERRING TO A PERMANENT ALTERNATE POSITION. IN ORDER FOR A PERMANENT ACCOMMODATION TO BE MADE THE FOLLOWING CRITERIA MUST BE MET:

1. The employee must meet the minimum qualifications of the position.
2. The employee must be able to meet the physical demands of the job with reasonable accommodation.
3. There must be a vacant position available for the employee to fill.

The County of Mendocino will not create a position, or bump another employee from a position in order to accommodate the injured or ill employee.

The Return to Work policy applies to all employees with appropriate documentation of injury or illness from their treating physician. If necessary, Risk Management will determine the most appropriate form of permanent alternate work.

The Risk Management will establish an accommodation team as needed to insure all employees requiring accommodation receive fair and equitable treatment. The Accommodation Team may include the Risk Manager, Return to Work Coordinator, Human Resources Director, the medical provider, a supervisor, a representative from County Counsel, the Union representative and any other appropriate personnel with input from the employee, whenever possible and appropriate.

This regulation applies to all employees in all departments. The home department will accommodate whenever possible. If the home department is not able to accommodate the injured or ill employee, the Return to Work Coordinator, with the assistance of the Human Resources Department will ascertain if a permanent accommodation is available in another department. The Accommodation Team will review all cases in which permanent modified duty cannot be found or the Return to Work Coordinator needs assistance in determining permanent modified duty.

The County's obligation under the American with Disabilities Act is to return qualified individuals with disabilities to employment whenever they are qualified and able to perform the essential functions of their current position or a vacant alternate position within the County.

When the injured employee is determined to be a Qualified Injured Worker (QIW), unable to perform the essential functions of his or her job, the supervisor must first determine if a modification of the injured employee's duties, or the way their duties are performed, would enable the employee to perform the essential functions. This can sometimes be accomplished by sharing tasks with a co-worker. If the job cannot be modified, the supervisor together with other department personnel must look within their department. Following are criteria, which must be established:

1. Determine if there is an alternate position for which the injured employee is qualified;
2. Determine the availability of an alternate position;
3. Determine if the job is physically appropriate; and
4. Determine if the employee is qualified for the position.

The employee will be given the opportunity to transfer into the vacant alternate position. If the department does not have an alternate position available, the Return to Work Coordinator will work with Human Resources to determine if other departments have an open position for

which the injured worker is qualified. In some instances, the injured employee may be eligible for on-the-job training. Each affected employee must be evaluated on a case-by-case basis.

When an injured employee is qualified for an alternate position the following procedure will be followed:

1. Human Resources will administer testing when applicable and/or the receiving department will interview the affected employee to determine if he/she possesses all skills required for the vacant position.
2. Once the determination has been made that the injured employee is qualified, the receiving department will provide the Return to Work Coordinator with a written description of the essential functions of the job.
3. The Return to Work Coordinator will request that the injured worker's treating physician review the essential functions and if the treating physician believes the employee can safely perform the functions of the job, the job offer will be extended to the affected employee.

If two or more job possibilities are available, the injured worker will be asked to interview for each position. The Return to Work Coordinator will consider the employee's preference and will then make the final determination of which job offer will be extended to the injured worker, based on the above criteria. The injured employee has the option to have this decision referred to The Accommodation Team for final consideration and decision.
